

## "Reimagining Urban Spaces" 8<sup>th</sup> Junior High School of Kozani

My favourite places in Kozani are the sports centre, the football stadium,  
the shops in the city centre and the central square.

I like going shopping, playing football, exercising, painting and playing with my dog. I feel happy because they are beautiful and I love them. The central square is very beautiful. The square is full of people.

- Hi Tasos!
- Hi.

- Fine.
- What are you doing here.
- Today I am playing a football match.

- How do you feel before the match?
- I feel very stressed because it is very important.
- Good luck for your match.
